It was about the flood, and as we were in the midst of the hot, dry weather, and hearing their papa talking about the dry weather and the scarcity of water, they became very much interested in the subject. Mrs. Hanna told them all about the flood and how Noah prepared for it by building the ark, and said it rained and rained for forty days and for forty nights. Just then James looked up in great wonderment, and said: "Gee, mamma, they got their cisterns full then, didn't they?"

Cook, recently appointed postmaster at that place, entered upon his duties on Wednesday of last week, August 13, in the year '13, and it was the 29th anniversary of his marriage, and an elegant surprise was prepared for him and wife, by a slyly prepared supper, by children and neighbors on his return home from his official duties of the day. Forest City is now a third-class postoffice.

The family of Frank Petree—Mrs. Petree and her four sons and daughter, left Thursday for Lincoln, Neb., where they will take up their residence, in order that the three older boys may take a thorough course in the Nebraska State University. Wood Again the Winner.

The best wrestling match which has ever been pulled off in this county was held Tuesday night of this week at the Gem Theatre, when Tim Hurley, of Kansas City, and Jack Wood met in a handicap match. Hurley is a big heavyweight, weighing close to the 200-pound mark, while Wood is in the welter-weight class, weighing about 150 pounds. Hurley agreed to throw Wood twice in 10 minutes (wrestling time) or lose the match, but he was unable to even get one fall in that time, so Wood was given the decision. The winning of this match by Wood speaks well for him, as Hurley is considered one of the best heavyweights in the West. While Wood was supposed to be on the defense throughout the match, he was the aggressor most of the time and several different times came near throwing him. Hurley secured several good holds, including the full Nelson, toe-hold, etc., but was unable to hold them, as Wood displayed great skill in breaking loose. Wood was in great condition, being very fast and scientific, and he should be given great credit for the winning of this bout.

After the match Wood challenged Hurley for a finished match, and we expect this will be staged here within the next few weeks.

Geel Robertson and Guy Riddle, both of Fillmore, put on the preliminary, the former winning, getting the first fall in 14 minutes, and the second in about one minute. Harry Milne, of Forbes, officiated as the referee for both matches.

County Clerk F. L. Zeller is in Kansas City for medical treatment.

Born to Ralph Markt and wife, Saturday, August 16, 1913, a fine boy baby, Dr. J. T. Thatcher in attendance.

W. E. Simms and family, of Union Star, Mo., were here, last week, visiting friends and taking in our Chautauqua.

Thomas H. Reynolds has purchased what is known as the Hall property from C. J. Hunt, paying \$1700 for same.

Howard Turtle, of Downs, Kas., joined his wife here, last week, who is visiting her father, H. E. Peret, and also attended the Chautauqua.

Dr. W. C. Proud reports a fine girl baby born to Claud Henderson and wife, August 14; also a girl baby born to Ben Kirk and wife, August 18.

Born to Arnold P. Mueller and wife, of Copenhagen, Denmark, July 13, 1913, a fine son. Mrs. Mueller was formerly Miss Christine McKinney, of this city. THE SENTINEL joins with many friends in congratulations.

Charles Ramsey, of Humboldt, Nebraska, a son; Herman Holbrook, of Tecumseh, Nebraska, a son-in-law, and Claude Cooper, a nephew, of Craig, were here in attendance at the funeral of Mrs. Martin Baum, Sunday last.
